### **Getting to Know Your Neighbors: A Portrait Series**

Each month through 2014, we will feature a portrait of an Eastgate resident in the newsletter and on the website. If you would like to be considered for the series, contact Christina Paolucci at 614-258-9931 or [christinapaolucci@gmail.com](mailto:christinapaolucci@gmail.com). This series is being supported through a supply grant from the Greater Columbus Arts Council.

**Casey Crisp** has lived on Chatfield Park in Eastgate for 10 years, and **Missy Longworth Crisp** has lived there for 3 years. Their home was built in 1920. Casey represents a buying group that supports independent pharmacies, and Missy coordinates early intervention services for infants and toddlers with delays or disabilities. They both look forward to continued involvement in the neighborhood association and hope more neighbors will actively participate in making Eastgate a more vibrant and attractive place to live. As our new President, Casey hopes to promote a greater sense of community and neighbors being neighborly and revive the times when neighbors knew and looked out for one another. Casey encourages you to make your voice and opinions heard because this is your home too.

The Eastgate annual holiday party was held on December 7 at the Near East Pride Center. The association provided sandwiches and drinks, and neighbors brought a dish to share. Check out photos from the event on the Eastgate Garden Civic Association website at [www.eggca.org](http://www.eggca.org).

At each of our monthly neighborhood meetings, we will have a drawing for a free gift certificate for one of the attendees!
